

### SKYLINE CUSTOMER SATISFACTION

Skyline customer satisfaction is more than just a promise. We believe you deserve quality in every aspect of ownership. To ensure your continued satisfaction, we're dedicated to providing you with a quality product along with the very best service available in our industry. Skyline's "Commitment of Excellence" will be a source of pride and satisfaction for you. Contact your Skyline Dealer for details.

# KOALA Super Lite 2012

## Travel Trailers & Fifth Wheel

### SOLID CONSTRUCTION

#### DURABLE, ONE-PIECE RUBBER ROOF

12-year manufacturer's limited warranty. U.V. ray resistant. Provides complete, watertight seal.

#### SHAKE SIMULATOR

A shake-simulator test is performed for 10 minutes to detect any problems before leaving the factory.

#### WATERTIGHT TESTED

All units are tested for 15 minutes in a high-pressure shower spray to guarantee that they are watertight.

#### ACTUAL WEIGHTS, NOT ESTIMATED WEIGHTS

For your safety and peace of mind, Skyline weighs every recreational vehicle at the factory. Other manufacturers use estimated weights which can be in error by as much as 20 percent. Insist your recreational vehicle includes an actual weight next to the entry door.

### NO-NONSENSE WARRANTY

Manufacturing defects reported to Skyline within one year after original retail delivery of your new Travel Trailer by an authorized dealer will be corrected without charge and within reasonable times. Excluded are misuse (including lack of reasonable maintenance), minor imperfections, alterations, and dealer or owner improper transportation, installation, or hookup.

This warranty gives you specific legal rights. You may have other rights which vary from state to state.

Skyline's suppliers often provide additional warranties on their components beyond the Skyline factory bumper-to-bumper warranty. For example—the range, water heater, furnace and converter carry two-year supplier warranties while the air conditioner, refrigerator, microwave and awning carry three-year warranties. The one-piece roof carries a 12-year warranty. Ask your dealer for full details.

**Manufacturer's Notice:** All specifications, equipment, and prices are subject to change without prior notice. Production of all models subject to seasonal scheduling. Skyline Corporation reserves the right to improve a model without incorporating these changes in similar models produced at an earlier date.

Consult your automobile dealer and your recreational vehicle dealer to assure the proper match between tow vehicle and trailer. Tow vehicle and recreational unit must be properly equalized for efficient product performance and safety. Before you purchase your recreational vehicle, carefully consider the number of people it will accommodate and its end use. Manufacturer's load capacity restrictions and recommendations must be followed for safe and efficient product performance.

Your Retailer, an independent contractor, who is not an agent of Skyline Corporation, is the party responsible for your purchase contract and any additions, deletions, alterations, or attachments made to or in your recreational vehicle.

Skyline's exclusive Tow-Lite Technology® is the use of ultra lite-weight materials to assemble a more aerodynamic trailer which may be towed by smaller, more fuel-efficient vehicles than conventionally-constructed trailers.

### Notes

- All weights, dimensions, and capacities shown are approximate values.
- Unloaded vehicle weight and carrying capacity will vary depending upon optional equipment. Full propane tanks are factored into carrying capacity. Skyline weighs every unit at the factory. See trailer weight information label located inside the front entry door for specific unloaded vehicle weight and cargo carrying capacity.
- Dimensions stated to industry standards. Exterior length includes approximately a four foot hitch on travel trailers. Exterior height includes air conditioner, if installed. Exterior width does not include the width of the awning, if installed.
